PATRICIA FORD Patricia, a perennial Newsstand favorite, was born and still lives in Hawaii. She stands 5'8", weighs 105 and measures in at 36-24-34. Sean Bolger, pp. 1, 3, 4-5.

CHLOE JONES November/December '95 *Lingerie* cover girl Chloe Jones is still dying to be a mortician, but she's concerned that grieving widows may not look kindly on this show-stopper's undertaking. Mizuno, pp. 6, 7.

KATA KÄRKKÄINEN This Finnish foreign exchange student took Rapid City, S.D. by storm. "I dressed punk. I dyed my hair blonde—or red or black—or wore it in a mohawk." She took *PLAYBOY* readers by storm, too, as Miss December '88. Stefano Sartarelli, pp. 8-9.

CHRISSY RANAY A serious music student for the past 13 years, Chrissy is nearly as accomplished as a dancer, specializing in tap, ballet and jazz. Keith Lander, pp. 10, 11.

SUZI SIMPSON She says she was "hell on wheels" as a kid. Today our January '92 centerfold has matured into a "creative, intelligent, decent" woman who enjoys the solitary pleasures of writing and making jewelry. Mizuno, pp. 12, 13.

ALÛNA ZOUBAR This is Alûna's first NSS appearance. Byron Newman, pp. 14, 15.

CHRISTINA LEARDINI How did Miss April '91 spend her leisure time on the recent *Sexy Suitsuit Bahamas* set? "Sizing naked, waiting to be shot." Mizuno, pp. 16, 17.

AZALEA DAVILA With recurring roles on TV's *Baywatch* and *Muscle* and parts in *Primal Fear* and *Midnight Heat*, Azalea is on the fast track for show biz stardom. Kelly Scott, pp. 18, 19.

ANGELA PENTTINEN One of seven sisters ranging in age from four to 50, Guyana-born Angela spent five years traveling and teaching aerobics in Europe before earning a medical degree as an EEG technician. Gen Nishino, pp. 20, 21.

SAMANTHA LAURENT Samantha likes playing squash, lying by a pool, good after-shave, champagne, caviar and kisses on her neck. Byron Newman, pp. 22, 23, 24-25.

LETTE This blonde Californian is a *Book of Lingerie* first-timer. Mizuno, pp. 26, 27.

ELISA BRIDGES Our aptly named December '94 Playmate would like to man the bridge of her own boat someday and is working toward earning her captain's license because "there's something sensual about water travel." Brett Berens, pp. 28, 29.

SHAE MARKS Miss May '94 is crazy for Porsche convertibles, men in suits, volleyball at the beach, sushi and working out. Amy Freytag, pp. 30, 31.

AMY WEBER In the Judy Garland/Mickey Rooney theatrical tradition, Amy put on backyard shows as a kid and dragged all the neighbors in to watch. Still a self-described ham, her ultimate ambition is to win an Oscar. Richard Singer, pp. 32, 33.

KIMBERLY PAUL Kimberly claims to be the product of a "pretty ordinary family," which flies in the face of her pretty extraordinary beauty. Phillip Vullo, pp. 34-35.

REBECCA FERRATTI In the 10 years since she was our June Playmate, Rebecca has built a Hollywood résumé as long as your arm. Highlights include parts in *Ace Ventura: Pet Detective*, *Three Amigos*, *Beverly Hills Cop II* and TV and radio spots too numerous to mention. She also finds time to participate in the Playboy Running Team. Mizuno, pp. 36-37.

ELLINA GIANI Brainy men are one of Ellina's turn-ons ("Intelligence is sexy"), but sports definitely are not ("I hate them all"). Mizuno, pp. 38, 39.

MALISIA PETROPOULOS "Short, sweet and sexy" is Malisia's self-appraisal. Most embarrassing moment? "Going through the car wash with my window down." Her passions are popcorn, French fries, cappuccino and tall, dark, handsome guys. Mizuno, pp. 40, 41.

ALLEY BAGGETT She'll never kiss on the lips on a first date, but Alley admits to being turned on by kisses on her neck and whispers in her ear. Jim Hancock, pp. 42-43.

TAWNI CABLE Known as "the girl in black" for her color preference, our June '89 Playmate favors "silky, sexy G strings and bustiers." Kelly Scott, pp. 44, 45.

TONYA POOLE When not modeling, Tonya relaxes by Rollerblading. Mizuno, pp. 46, 47.

VANESSA TAYLOR Vanessa says if she could change anything she'd "try to settle for less and not want it all." Keith Lander, pp. 48-49, 50-51.

MELISSA LYNN "I sometimes wear a frilly nightie to work under my clothes. It makes me feel sexy all day." At home, she favors a white body stocking. Barry Yee, pp. 52, 53.

LISA BOYLE Lisa's film career is flying. Her latest: *Bad Boys*. Keith Lander, pp. 54, 55.

KELLY GALLAGHER Maybe her own amazing superstructure influenced her. Kelly is a student of architecture and design. Stephen Wayda, p. 62, 64-65; Amy Freytag, p. 63.

WENDY HAMILTON Wendy confided in her '91 PM story that "the best thing about sex is feeling the attention of a lover, physically and mentally." Kelly Scott, pp. 66, 67.

LEXIE This native Canadian claims her favorite childhood memory was being "abducted by aliens." Truth is, Lexie's feet are plumed firmly on the ground—and her tongue solidly in her cheek. David Chan, pp. 68-69.

TINA NEW A perfect day for this 5'8" 106-pound actress/model includes "not having to work, no makeup, sleeping in and eating Mexican food." She gets her kicks skydiving, parasailing, whitewater rafting, scuba diving, water and snow skiing. Mizuno, pp. 70, 71.

SAMANTHA RAMPLIN This is Samantha's NSB debut. Byron Newman, pp. 72-73.

CORI NADINE An ideal evening for Cori begins with a bubble bath, takes in a candlelit dinner, includes good music and ends with "soft kisses." Gen Nishino, pp. 74, 75.

LISA ANN BROWN Lisa Ann has a weakness for baby-faced guys, but they'd better come loaded with plenty of grown-up self-confidence. Who would she trade places with? "Demi Moore. Who wouldn't? I mean, come on!" David Rams, pp. 76-77.

JULIE CIALINI At 5'11", Julie thought she was too tall to be a Playmate, but Hef and the photo staff disagreed. She covered over the competition and became Miss February '94—and gained real stature as 1993's Playmate of the Year. Mizuno, pp. 78, 79.

APRIL BOGENSCHUTZ Sexy lingerie is a turn-on for her significant other. "I once picked him up at the airport wearing only a garter belt and lace stocking under my coat. He went crazy!" Jim Hancock, pp. 80, 81.

JOANNE GUEST Joanne has a weakness for roulette. Odd are you'll find her spinning her wheels in Las Vegas several times a year. Byron Newman, pp. 82, 83, 84-85.

CHRISTINE & JACQUELINE ARTECONA You can bet these California twins draw plenty of double takes on any beach in the world. Richard Singer, pp. 86, 87.

BARBARA MOORE Our December '92 Playmate makes no bones about it: "I like to make a man feel good, preferably with the lights on. I like to see what I'm doing and who I'm doing it with." Mizuno, pp. 88, 89.

MARIA CHECA Miss August '94 is grateful for her creative talents. "I'm quite shy, so I express myself through my artwork." Acrylics and watercolors are her outlets. Richard Pegley, pp. 90, 91.
